

MINISTRY OF WATER, SANITATION AND IRRIGATION

KENYA WATER INSTITUTE

Ref: KEWI/ADM/2/22 (37)

Date: 3rd November, 2022

RE: Advertisement of Scholarship Opportunities at Kenya Water Institute

The Government of Kenya through the Ministry of Water, Sanitation and Irrigation in collaboration with the consortium of Confederation of Danish Industry (DI) East Africa, Fagligt Fælles Forbund (3F), Diversity & Equal Opportunities (Divérs), and Ulandssekretariatet (DTDA) invites interested and qualified applicants for partially funded scholarships to pursue water related courses in any of the Kenya Water Institute Campuses.

The courses offered under this scholarship are:

1. Plumbing and pipefitting
2. Wastewater Management Technology

The courses are at artisan level (KNQF Level 4) and will last nine months equivalent to one academic year. Full details of the scholarship description and the application form can be accessed through KEWI Website - <https://kewi.or.ke/>

Interested candidates who meet the requirements should fill the application form and submit soft copies of their applications, National Identity cards, and KCSE certificates on or before **25th November, 2022**.

KEWI encourages all qualified persons; including women, persons with disability and persons from minority groups to apply. Only successful candidates shall be contacted.

The decision of the Selection Panel of the Consortium will be final.

NB: The Institute will NOT charge any fees for this call and will not be liable for claims on monies paid to other parties by applicants.
